# Home Theater

*Robinson and Robinson Home Theater* provides endless possibilities with ease of planning and design. Choose from six unique arms designs, multiple seating elements, or power recline combined with our exclusive wireless remote-controlled recline.

With all these options, you are sure to be **"Front Row and Center"**

## The Future of Cinema Seating.

### You Have Options!

*Robinson and Robinson Home Theater* has taken the guesswork out of Cinema Seating. No more searching for that perfect combination of the most comfortable seat and timely design. Simply find your seat, add your arm, choose from our power options, and enjoy!

### OPTIONS:

- **World Class Coverings!** *Robinson and Robinson Home Theater* offers some of the most exquisite leather articles in the world today. Rest assured that no matter what your design aspirations – we've got you covered.
- **Fully Modular in Design.** Each piece can be connected to create straight rows, angled rows, or true cinema seating.
- **Optional Wedges.** For true cinema styled seating, add straight arm dividers or angled wedges. Regardless of the space, we can help you maximize it.

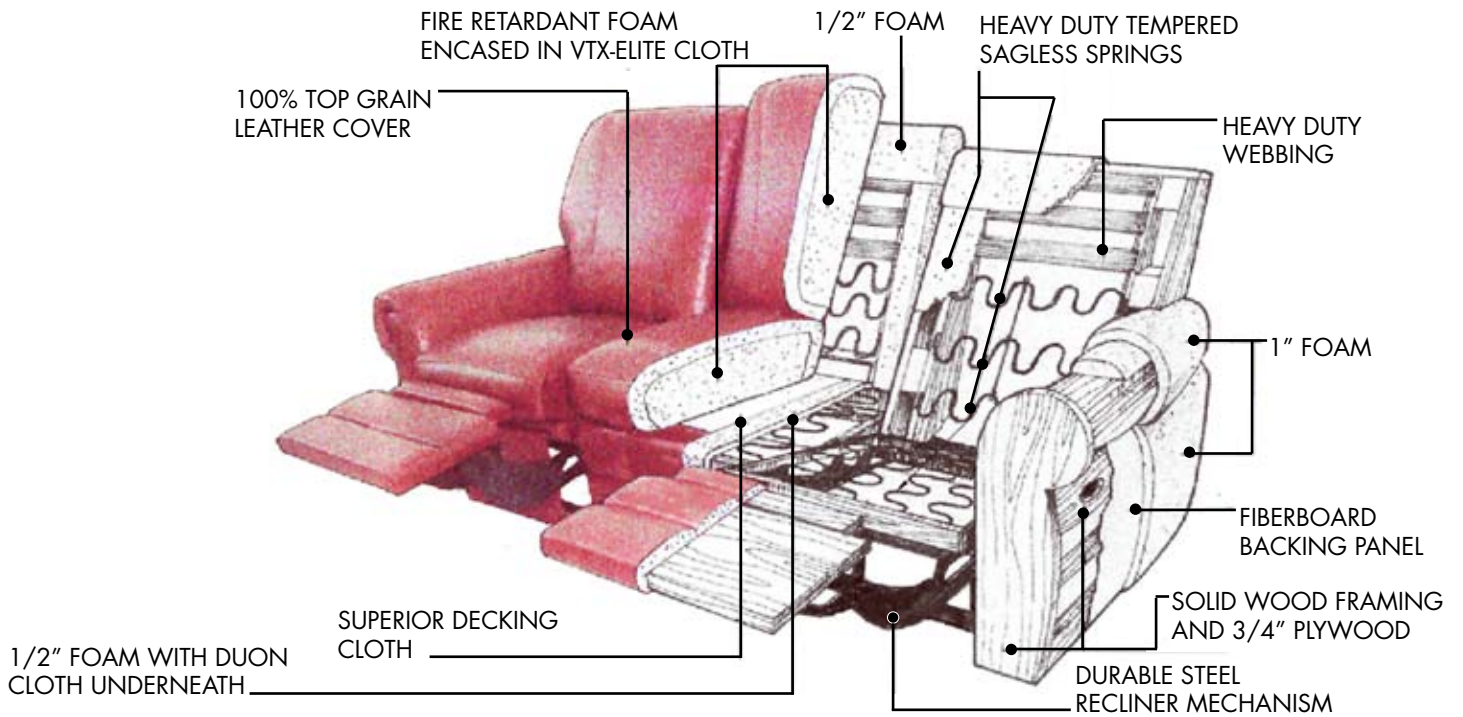

**It's as Simple as 1, 2, 3!**

### FEATURES:

- **Zero-Wall Proximity Inclining Mechanism.** This allows for maximum use of space, as each reclining unit requires less than 2 inches for wall clearance.
- **Frame Construction.** The reclining mechanism is constructed from hardened steel. This is mounted on hardwood rails combined with pressured treated laminations for shaped components.
- **Steel Spring Construction.** 8.5 Gauge carbon steel springs provide long life and an exceptional level of seating comfort.
- **Upholstery / Final Assembly.** After the frame is fitted with the reclining mechanism, it is clad with fiberboard and encased with foam. This gives the finished piece a plush padded appearance and solid structure.
- **Back Pillows and Seat Cushions.** Are filled with HR reflex foam and covered with a fibre or soft foam wrap. Both the foam and fibre meet the requirements of California Spec fire retardancy 117.
- **Peace of Mind.** All Frames, Springs and Reclining Mechanisms carry a lifetime warranty. Actuator Motors and all Electronic Components are warranted for one year from date of retail purchase.
